

Indulge in the world of  
*Earl Grey Teas*

**Earl Grey**  
tea blend was a gift from China to the British Prince of Wales, Earl Grey, for which we are thankful most afternoons. Our particular blend of Earl Grey tea uses loose tea from India and China, blended with precious, natural oil of Bergamot.

**Earl Grey Supreme**  
tea blend uses a higher grade of tea along with the addition of Ceylon Vintage Silver Tips. Most of our customers have never gone back to our regular Earl Grey once they have tested the Supreme. If you love Bergamot and fine tea, this is the blend for you.
