

# Artwell Gallery

Torrington, CT

Established in 1995, Artwell Gallery continues to bring the arts and community together. Partnering with Torrington Department of Parks and Recreation gives Artwell Gallery expanded opportunities to promote innovative public art, exhibitions, classes, and performances that enhance the quality of life for Torrington residents and visitors.

## Some of Our Goals are

- Bringing more artists to Artwell Gallery to participate in our numerous juried and community exhibitions.
- Introducing people to our new Creative Learning Center, where children and adults enjoy taking both fine art classes and computer classes.
- Displaying art in public spaces throughout the greater Torrington area for the community to view and enjoy.
- Creating affordable opportunities for all citizens of Torrington to participate in Artwell's programs, exhibits, classes, and performances.
- Partnering with organizations, associations and groups that have strong community support, for the enrichment of Torrington and its visitors.
- Increasing volunteer recruitment and involvement.
- Expanding funding resources, so that Artwell can continue to develop high quality, unique programming.

The logo for Artwell Gallery and community arts center. It features the word "Artwell" in a large, bold, red font. To its right, the words "Gallery and community arts center" are stacked in a smaller, blue font. The text is set against a background of concentric blue circles of varying shades, creating a target-like or ripple effect.

This is a wonderful example of how a partnership can make things happen to the benefit of many. It's an exciting opportunity for all the residents of Torrington!"
